## FLAME OF BURNING FIRE

### HEAVY DRUMMING

The rhythm rushes to your heart  
The drumming reaches for your backbone  
Guitars shred their melodies  
And blast their sound between your ears

**We love heavy drumming  
We love heavy drumming**

You're going crazy, running wild  
Shivers running down your spine  
You love the music hard and loud  
And you are grooving in the crowd

**We love heavy drumming  
I can hear your heart beat!  
We love heavy drumming**

If you wanna rock  
If you wanna rock  
If you wanna rock  
Heavy drumming

If you wanna...  
If you wanna...  
If you really wanna rock  
Keep heavy drumming

**We love heavy drumming  
I can hear your heart beat!**

**We love heavy drumming**

If it sounds goods, bring your hands up and rock!
