SECRET OF THE SANDS

BURNING LIGHT

The dawning light

Alone, alone...

The glaring light (the gloaming light)

Alone, alone... in the desert

The blazing light - his ride goes on and on

Alone, alone... in the daylight

The burning light - his ride goes on and on

Alone, alone...

Into the burning light - it shines away the darkness of the night

Into the burning light - it burns through every fibre in your mind

Into the blazing light

The burning light shines so incredibly bright

His ride goes on and on ...

Into the blazing light ... on and on ...

Into the glaring light ...burning light ...burning light

His ride goes on and on... on and on... on and on...

Into the burning light - relentlessly it shines upon your life

Into the burning light - it burns through every fibre in your mind

Into the blazing light

The burning light shines so unbearably bright

Into the burning light - it shines away the darkness of the night

Into the burning light - it burns through every fibre in your mind

Into the blazing light...
